# SEPA Environmental Event Report

<b>Action Description</b>	Initial complaint sent from	e-mail on 31/07/2018, however
	Second complaint sent from	e-mail on 02/08/2018 at 08:28 stating odours were detected at 06:00.
	<p>contacted site to advise of odour complaints and requested they investigate any events / incidents that may have occurred, and to undertake an odour assessment. Spoke with</p> <p>She advised that a waste tanker had been on site around the time of the odour complaint which may have accounted for the odour (perhaps as the hosing was removed). was to speak with the site operatives and waste tanker company to investigate potential methods of mitigating odours during this process.</p> <p>e-mailed complainant back at 11:35 on 02/08/2018 to update on this. No further action in this instance. Out of hours event not substantiated.</p> <p>Of note, mentioned in e-mail to contact SEPA via the EPI Perth inbox so that in my absence another member of the team can deal with the complaint in a timely manner.</p>
